Alaska State Parks invites you to stay in any of our Public Use Cabins located throughout the state. Cabins sleep three to twelve people and are equipped with wooden sleeping platforms, a wood stove, table and chairs or benches. Most cabins are remote, while a few cabins are road-accessible.

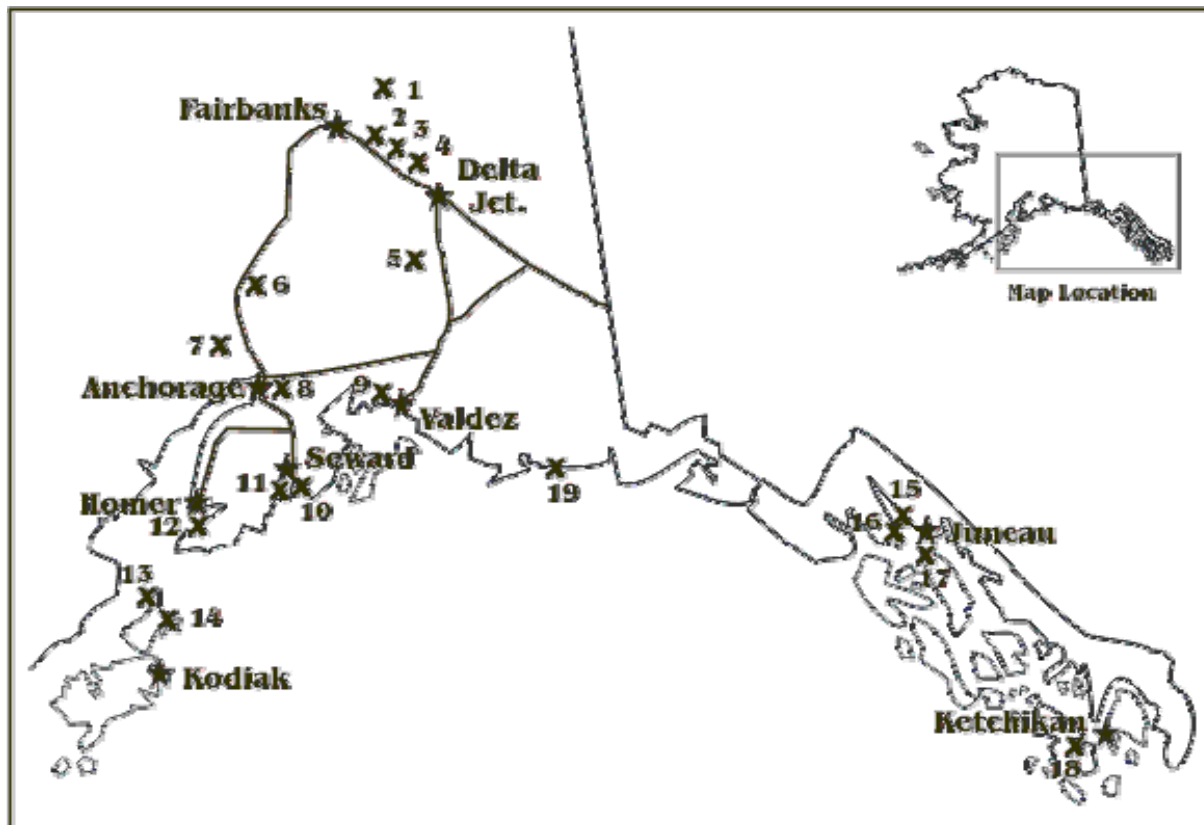

Detailed cabin information, cabin availability and how to make reservations on line can be found on the Parks web site at: www.alaskastateparks.org. Alaska residents can make reservations 7 months to the day in advance of the first night stay and non-residents 6 months to the day in advance, Monday through Friday beginning at 10:00 a.m. Alaska time. Advance reservations cannot be made on weekends or State holidays, but can be made the next business day. All other cabin reservations can be made 24 hours a day, 7 days a week. Reservation requests can also be mailed or faxed. Credit cards (MasterCard or Visa) are accepted for payment when making reservations on line, mailing or faxing reservation requests or when paying in person at our Anchorage or Fairbanks offices. There is a \$10 service charge for changes or cancellations, which must be made 7 days in advance of the first night. A cabin credit less the \$10 service charge will be issued for reservations that are cancelled. A cabin credit is valid for one year from date of issue. Fees are non-refundable.
